This screenshot shows the 'Service Details' page for the 'Internet of Things Platform-io' service. The page includes a 'Manage' sidebar with options for 'Plan' and 'Connections'. The main content area features a large graphic of a central node connected to various devices, followed by the heading 'Let's get started with IBM Watson IoT Platform'. Below this, there are three service plans: 'Lite', 'Non-Production', and 'Production', each with a brief description of its capabilities.
