

# Mit App Inventor - Aarthi P

The image shows a screenshot of the MIT App Inventor website and its internal interface. The top part is the website's landing page, which is blue and yellow. It features the MIT App Inventor logo, a navigation bar with links like 'Create Apps!', 'About', 'Educators', 'News', 'Resources', 'Blogs', and 'Give'. A large banner reads 'Anyone Can Create iPhone and Android Apps with Global Impact' with a 'Get Started' button. Below the banner are four statistics: 'USERS TODAY: 28.2K', 'USERS THIS MONTH: 1.1M', 'ALL-TIME USERS: 14.9M', and 'APPS BUILT: 67.8M'. The bottom part of the image shows the internal interface of the MIT App Inventor application. It has a top navigation bar with links like 'Projects', 'Connect', 'Build', 'Settings', and 'Help'. A central panel displays a 'Welcome to MIT App Inventor' message with a 'join' button, a 'Release' button, and a 'nb190' button. Below this is a 'New Components! Read Release Notes' link. The interface also includes a 'Projects' table with columns for 'Name' and 'Date Created'. The bottom of the image shows the Windows taskbar with various application icons and the system clock.
